

Who are we?

We are a group of people excited about your presence here at SJN. We are always looking for new and innovated ways to help you feel more welcome in this community.

What do we do?

We are welcomers at the entrance doors to the church for weekend Masses.

We are available to new households of faith at the reception desk on Sunday mornings from 9:00 - 10:30 am.

We call new households of faith to welcome them to our community and find out if they have any needs or questions.

We help with receptions for staff celebrations - arriving, retiring, etc.

We serve refreshments every 2nd Sunday of the month after the 8:30 am and 10:30 am Masses.

When do we meet?

We meet once a month for approximately an hour. Time and place is determined by the members on a monthly basis.

What can we do?

If you are a person who likes to feel welcome and likes to welcome others, then this is the committee for you. If you would like to meet and greet new parishioners, then this committee is for you.

If you have any questions, please contact our committee chairperson, Mary Meeusen at 542-1078 or our staff representative Janet Yahnke at the parish office.
